

[REDACTED] STATINTL

NOTICE

LIAISON
March 1958

REFERENCES: [REDACTED]

1. The SSA-DD/S is designated the coordinating point for support liaison relationships and implementation of support agreements with other U. S. Government Agencies, including:

a. Insuring that the interests of all support offices of the Agency are incorporated into agreements made with other U. S. Agencies.

b. Coordination of procedures developed for the implementation of inter-Agency support agreements by DD/S offices.

c. Coordination of support agreements to insure that they are in conformance with substantive operational objectives and requirements.

d. Coordination with [REDACTED] FI/OPS, DD/P, to insure that support agreements are in conformance with basic cover requirements.

e. Reporting to the DD/S the status of support liaison relationships with other U. S. Agencies, and any problems pertaining thereto.

2. This designation is not intended to change existing support liaison relationships with other U. S. Government Agencies, but to provide a point within the Agency for the coordination of such liaison.
